**SCHOOL FINANCE MEMORANDUM 05-063**

**TO: Superintendents, Business Managers, Administrators, Head teachers**

**FROM: Philip Williams, Deputy Associate Superintendent of School Finance**

**DATE: August 3, 2005**

**SUBJECT: Classroom Site Fund Allocation**

The fiscal year 2004-05 Classroom Site Fund payment #12 calculations have been completed. The May 2005 tax revenues have been used for these payments. Actual receipt of payment by districts and charters is scheduled for Thursday, August 4, 2005. The total annual amount found on the final Classroom Site Fund report includes any changes in attending student count due to corrections or updates that have been made prior to July 14, 2005.

The report detailing the counts and weights used to determine allocation of the Classroom Site Fund is available at <http://www.ade.az.gov/districts>. At this time, each district and charter will have received 12/12ths of their annual amount based on \$242 per weighted attending student count.

JLBC has projected the fiscal year 2005-06 Classroom Site Fund per weighted attending student count amount to be \$353. This amount includes a one time increase of \$70 that is not projected to continue in fiscal year 2006-07.
